PUBLIC DEFENDER'S HANDBOOK

Introduction

On May 18, 1995, a joint memorandum issued by the Director, Executive Office of U.S. Attorneys, and the Director, U.S. Marshals Service (USMS) revised Fact Witness Procedures to be followed by both agencies. In this memorandum, the USMS agreed to assume responsibility and serve as the focal point for assisting the Public Defender or court-appointed attorneys with witness reimbursement issues. Provisions of the Criminal Code provide the Fees and Expenses of Witnesses Appropriation (FEW) for witness payments for Public Defender and court appointed attorneys.

This handbook is in response to numerous requests for materials and guidance on Criminal Justice Act (CJA)/Public Defender witnesses and what the USMS can, and cannot, pay. These guidelines apply only to Fact Witnesses and do not apply to expert witnesses and fees for psychiatric examinations or testimony. If other defense services are required, they are approved by the presiding judge or magistrate pursuant to guidelines of the Administrative Office of the U.S. Courts.

Signature cards (SF-210) of all Assistant Public Defenders must be certified by the Public Defender and be on file with the USMS. A Government employee must be designated to authorize witness vouchers (Form OBD-3).

For additional information, please contact your local U.S. Marshal's office.

Subpoenas

The United States Marshal (USM) serves subpoenas for the government and for defendants of Public Defender or CJA court-appointed attorney, if so ordered by the Court. CJA (specifically FEW) funds are **not** available to pay for private process servers and *attorneys* should <u>not hire a process server to serve these subpoenas</u>. (Refer to Federal Rule of Criminal Procedure 17(b).)

Before subpoenas can be served at government expense, it is necessary for a *CJA attorney* to provide:

• a certified court order (in compliance with the terms of Federal Rules of Criminal Procedure 17 (b)) listing the names of the witnesses to be subpoenaed and their addresses. The Order should be accompanied by the completed subpoenas ready for issuance by the court.

The Court will return a confirmed copy of the certified order signed by the Judge authorizing issuance and service of the subpoena, and payment of the costs and fees by the government. A copy of the certified order allowing for witnesses to testify at government expense will be sent by the court to the U.S. Marshal's office and the subpoena will then be served.

The U.S. Marshal's office should have at least 10 working days for service.

Notice to Fact Witnesses (OBD-2)

It is the responsibility of the U.S. Marshal's office to provide adequate information to CJA/Public Defender witnesses on:

- hotels, taxi cabs and availability of government lodging near the court facility, and
- the Form OBD-2 (Appendix 1), Instructions for Fact Witnesses Appearing on Behalf of the United States Government (or Subpoenaed on Behalf of Indigent Defendant). This form, provided with the subpoena, details allowable expenses for attendance, transportation, lodging and meals, and should be customized for the city in which they are to appear.

The USMS can reimburse witnesses only at the rates applicable to the Federal Government as indicated on the Form OBD-2. The U.S. Marshal can provide a current Form OBD-2 and answer questions about current per diem rates.

Travel, Lodging, Meals and Incidental Expenses

Fact witnesses are entitled to reimbursement for necessary transportation by the <u>least</u> expensive method available, and reimbursement for meals and lodging when required to remain away from their residence overnight.

Common Carrier. When commercial transportation is required outside the local commuting area:

- 1. The *CJA/Public Defender* must inform the witness to contact the U.S. Marshal's office on how to make travel arrangements and to obtain government transportation rates.
- 2. The U.S. Marshal's office will make prepaid travel arrangements using contracted government rates or other rates that are deemed most advantageous to the government.
- 3. When the witness arranges their own travel they will be reimbursed using the contracted government coach fare or lower.

 Reimbursement will be for the common carrier that is the most efficient, expeditious, and advantageous to the government. All reimbursement for common carrier must be supported by receipts.
- 4. The U.S. Marshal's office will **not** reimburse witnesses for first class air fare and/or for fares that are not a result of direct transportation to and from the court city.

To and From Carrier Terminals. Receipts are required for all single items costing over \$25.00. Expenditures for taxicab and airport limo fares are reimbursed. However, when courtesy transportation is provided by hotels/motels, the witness should be made aware of their requirement to use them.

Rental cars. Rental cars are **not** reimbursable, except under special/unusual circumstances pre-approved by the presiding officer of the Court or the Clerk of the Court. By law, parking receipts are required to reimburse witnesses for any parking expense.

Lodging. All reimbursement for lodging must be supported by Hotel/ Motel receipts. Reimbursement will be for the actual cost of lodging and will not exceed the allowable rates for the city. The witness will be required to provide copies of lost/destroyed receipts from the lodging establishments before receiving reimbursement.

If lodging is required by the witness:

- The *attorney* will make the reservations, or have the witness make his own room reservations, not to exceed the maximum allowable lodging rates for that court city.
- If the lodging receipt shows a charge for double occupancy, one-half of the double occupancy charge will be allowable for each witness. If the person sharing the room is not a witness, the witness will be allowed the single-room rate not to exceed the maximum allowed.
- When a witness obtains lodging from friends or relatives with or without charge, no lodging expense will be authorized. *Meals and Incidental Expenses*. Receipts for food are not required. The maximum per diem rates include a fixed allowance for meals and incidental expenses, when an overnight stay is required. The fixed allowance varies with each court city. Fact Witnesses are entitled to one-half the daily meals and expense allowance for the day of departure, and one-half the allowance for the day of return. Full days at the place of attendance will be at the full meals and incidental expense allowance rate for each court city.

Travel by Privately Owned Vehicle (POV)

If the witness uses a POV for their convenience, they will be paid as if they traveled by common carrier. However, if the presiding officer of the Court or the Clerk of the Court authorizes the use of a POV, then a reasonable minimum daily travel distance is 300 miles one way. If a witness leaves their residence earlier than necessary, they will be paid only for the travel time to the court city.

If the witness wishes to commute to and from home, and it is more expensive than obtaining lodging in the court city, then the witness will be paid whichever is lesser to the government.

Appearance

For each day the witness is away from home to appear as a witness they are entitled to a \$40 witness fee, plus expenses as outlined in the <u>Travel</u>, <u>Lodging</u>, <u>Meals and Incidental Expenses</u> summarized on page 4.

- 1. The Public Defender or court appointed attorneys may authorize payments for Pre-trial Conferences not to exceed three days (five days if a weekend is included) with non-local witnesses between the scheduling of a trial, hearing or grand jury proceeding and a witness appearance.
- 2. Pretrial days caused by scheduling changes in trial, hearing or grand jury proceeding dates require a written explanation by an attorney. The explanation should be attached to the witness voucher.
- 3. Separate pre-trial travel for conferences are restricted unless approved by the presiding officer of the Court or the Clerk of the Court. For unusual circumstances see the Presiding Officer of the Court section summarized on page 8.

Fact Witness Voucher

Once a witness is advised that his or her attendance is no longer required, a Fact Witness Voucher, Form OBD-3 (Appendix 2), is obtained from the District Court or Federal Public Defender for each witness subpoenaed.

Part I - Attendance Certification

The voucher is to be prepared *by the attorney* for each witness. The *attorney* is responsible for completing the top of the form, including the Social Security Number (SSN) and Part I-Attendance Certification (Sections A and B), .

Part II - Allowances

- Sections C through F: The attorney is responsible for completing these sections. The amount columns should not be completed. The right column section will be completed by the U.S. Marshal's office.
- Section G, Witness Certification: The witness must sign the voucher.
- Section H, Claim Verification: A Government employee must be designated to authorize witness vouchers. After a witness has testified, the *court appointed attorney* should present the voucher to the Clerk of the Court or his Deputy for signature.

The voucher must then be submitted by a Government employee or court appointed attorney to the U.S. Marshal's office for payment. NOTE: Witnesses may not deliver the voucher to the U.S. Marshal's office.

<u>Part III - Certification</u> and <u>Part IV - Dishursement</u> are for U.S. Marshal's office use only.

The U.S. Marshal's office will review the voucher for completeness and accuracy, then process the voucher for payment. Usually, the payment will be mailed to the address on the voucher, therefore, care and attention should be taken to make sure that the address is accurate and legible. Under unusual circumstances, the U.S. Marshal's office may pay the witness immediately if the witness requires the funds to return home and prior arrangements have been made.

Presiding Officer of the Court

The U.S. Marshal is only authorized to reimburse travel expenses from the place the subpoena was served to the court city and return. The U.S. Marshal's office is **not** authorized to reimburse expenses greater than normal government travel rates. Some special situations arise that can be addressed by the presiding officer of the Court or the Clerk of the Court.

Should a witness have special needs for which reimbursement is anticipated, please contact the presiding officer of the Court or the Clerk of the Court before incurring expenses. The U.S. Marshal's office cannot pay without written approval of the Court. Special situations may include and are **not** limited to:

- · first class air travel
- rental cars
- · baby sitters
- pet care
- ambulance or nursing attendants' fees

The following types of expenditures are not authorized:

- phone calls
- · dry cleaning
- room service
- bar tabs

Special Situations

Travel Advances. At least 2 weeks advance notice to the U.S. Marshal's office is required for travel advances. These advances are limited to extreme need cases. The U.S. Marshal's office will advance Meals, Incidental Expenses and Lodging for the first day only. To receive a travel advance, the witness must sign a Witness Certificate for Advance, Form USM-24 (Appendix 6), and deliver it to the U.S. Marshal's office. The U.S. Marshal's office does not deliver advances and the attorney must arrange for it to be picked up if the witness cannot. Contact the U.S. Marshal's office for specific local procedures.

Federal Government Employees as Witnesses. Federal government employees (including tribal police officers, military and criminal investigative officers) do not receive witness fees, travel, or lodging if their agency is involved with their testimony (i.e., an officer testifying in an official capacity).

Witness fees will only be paid to government employees if they are in a non-pay status, such as on leave without pay, a seasonal or temporary worker, or a former employee. Call the U.S. Marshal's office if there are any questions.

If the witness' government agency is **not** involved, the witness will receive the lodging and travel, but will **not** receive the witness fees because the government is paying their salary. Witness fees are then handled as follows:

Witnesses within District. Standard Form 1164 is completed along with a statement that the case does **not** involve the employing agency. File the form with the U.S. Marshal's office for payment. Before lodging is allowed, Federal Travel Regulations require the traveler be in travel status more than 10 hours and 50 miles or more. Government employees will be paid mileage and parking only, but no per diem or witness appearance fees.

Out-of-District Witnesses.

Federal Government/Military Witnesses. Military Personnel should complete a Request for Armed Forces or Government Employee Witness, Form OBD-16 (Appendix 5), and forward the form to SAS for processing. Travel reimbursement payments to Federal Government agencies may be made via the Form SF 1012 or electronically, agency-to-agency.

Foreign Witnesses. Foreign Witnesses are entitled and paid the same fees and allowances as regular fact witnesses. However, special coordination with the Department of State, Office of Special Consular Services is required. The attorneys should contact the State Department, Office of Consular Affairs for assistance regarding procedures to follow when obtaining foreign witnesses. Although standard fees and allowances are generally acceptable, a foreign national may occasionally require additional allowances. The Simplified Acquisition Service (SAS) will also process foreign witness requests for indigent defendants and will request an advance from the Department of State. The U.S. Marshals Service should provide round-trip transportation to foreign witnesses. Contact the Department of Justice, Justice Management Division at (202) 307-1942 or FAX (202) 307-1932 for more information.

Prisoners as Witnesses. A petition for issuance of a writ, an order, or a writ of Habeas Corpus ad Testificandum must be prepared by the attorney and signed by the Judge before an incarcerated witness can appear on behalf of a defendant. The court staff will give the writ to the U.S. Marshal's office and file the order. The U.S. Marshal's office should be contacted for time frames on the movement of prisoners. Time frames vary throughout the United States but average time frames are:

4-7 days Execution of a local area writ within the commuting area.

10-14 days Execution of a non-local writ within the USM District.

4 weeks Notice for an out-of-district writ.

Non-Custodial Transportation of Defendants

Prisoners on Bond. In 18 U.S.C., Section 4285 authorizes payment for the travel of released indigent criminal defendants on bail at court proceedings. This section allows the court to direct the U.S. Marshal's office to arrange for the "non-custodial one-way transportation" (i.e., payment of travel expenses) of a defendant on bond "to the place where his appearance [before the court] is required."

Once the court determines that a defendant on bond is unable to afford his own transportation to court, the court can direct the U.S. Marshal's office to provide the cost of one-way transportation to the court city. This authority is limited to payment of one time transportation for the defendants court appearance <u>only</u>. Travel is **not** authorized for pretrial consultations with defense attorneys or for pretrial service consultations.

Once a defendant travels to the court's jurisdiction the U.S. Marshal's office is **not** authorized to provide the defendant with subsistence payments at the trial site. The defendant should either:

- 1. remain in the court's jurisdiction, or
- 2. travel at his own expense, or
- 3. contact Pretrial services for assistance.

In 18 U.S.C., Section 3154 provides guidance for assistance for the defendant while in the court city for trial. For additional guidance, please refer to 18 U.S.C., Section 3006a.
